

Annunciation Philoptochos Kansas City Fall Newsletter

On Sunday, October 2, Philoptochos honored **Pink Sunday –Breast Cancer Awareness** by providing breast cancer information and resources. We also collected \$317 in monetary and gift card donations, for those affected by the Louisiana floods.

On Monday, October 3, Philoptochos hosted a general meeting and "Books and Blankets" service project. Over 25 parish members gathered for some *great* fellowship. We tasted delicious new recipes during the pot luck dinner and listened to a very informative report from our chapter delegates, Linda Vleisides and Heidi Wood, about highlights from the 2016 National Philoptochos Convention. We also tied 30 cozy fleece blankets which were each paired with a children's book and provided to Center Schools' Parents as Teachers program.

During this meeting, the group brainstormed and came up with a fundraising idea to answer a request from National Philoptochos.

Annunciation Ladies Philoptochos took on a challenge to "Make a Change" for IOCC.

A collection jar was located in the church hall for parishioners to donate their spare change to IOCC.

Wednesday, October 26th and Friday, October 28th - Philoptochos Baked for Bake Sale and Saturday November 5th and Sunday, November 6th Philoptochos held the Fall Bake Sale Fundraiser. [Need stats to fill in here](#)
